

October Student of the Month

Amberly West - Grade 12

Amberly West, is the daughter of Jeff and Darcy West. She was selected by the teachers of MHS as the 12th Grade October Student of the Month!

According to Koch: “Amberly has taken a difficult situation, being a student new to MHS in her senior year, and made the absolute best of it. From her first day of school, Amberly has brought positive energy to the class and has distinguished herself as a student willing to seek answers and put in extra work. I have enjoyed watching her become part of our MHS community and look forward to seeing all she will do!” - Ms. Koch
