

Good morning!

I hope everyone has been having a wonderful summer! It always seems to go way too fast 😊 . It's that time of year that we need to start looking towards our activities and set schedules for practices and all the details. This is where the parents come in. We would like to have all of our athletes registered before July 31, 2021. If you have registered before, you will sign in with the same username or email and password that you have used in the past. If you are new to the system, there is step-by-step details to get set up. If you have registered your child before, please use the same account and do not set up a new username and password. Fine Arts registration is not yet active.

There is a link on the page for the physicals if your child is due for one. All incoming 7th graders need a sports physical (not a well-child physical, although the two can be tied in together). Sophomores also need a physical. There will be some juniors that could possibly need a physical as well. With the pandemic, MSHSL gave students an extra year with their physical last year, so there may be some athletes that are off a year.

As you register your child(ren), a lot of the information will auto-populate into the form from previous years. Please make sure all information is current. As you get to the last couple of pages, those are your signature pages. Please make sure to update those dates to the day you fill the forms out.

On the first day of practice, it will be absolutely necessary that all athletes have a current physical and are fully registered and paid. If they are not, they will not be allowed to practice until that is complete. Here is the link for registration: <https://minneotahs-ar.rschoolday.com/>

If you have any questions, please email me at cari.pohlen@minneotaschools.org.

Enjoy the last few weeks of summer!

Cari Pohlen
