

MINNEOTA ISD #414

IMPORTANT INFORMATION REGARDING SCHOOL MEALS
SCHOOL YEAR 2022-2023

Breakfast and Lunch will not be free for all students this year (2022-2023).

For the past two years, the United States Department of Agriculture (USDA) has offered all students breakfast and lunch, at no charge. This expired on June 30, 2022.

Breakfast and lunch will still be available to all students. The cost for full price meals is listed below.

Minneota student lunch prices:

High School Lunch: \$3.40

Elementary Lunch : \$2.85

Student Breakfast: \$1.80

Extra Milk: \$.40

Families will once again need to complete the free and reduced-price family application to qualify for free or reduced-price meals. These families also qualify for reduced student activity fee rates.

Students who do not qualify for free or reduced-priced meals must pay full price for breakfast and lunch.

Please fill out the 2022-2023 meal application as soon as possible for the upcoming school year. No other steps will be necessary unless there is an income change during the school year.

Meal applications are being mailed to families this week. These meal applications need to be completed in entirety and returned to the school's office. A copy of this application is also attached.
