Looking for some good competition for your team this summer? Look no further than the SMSU Summer Team Camp. This camp will allow you to bring your entire team to our campus where you will have a chance to both run your team through practice and scrimmage other teams from throughout Minnesota, South Dakota and Iowa.

Throughout the camp we will run your players through various competitions and also take two sessions to run your players through individual drills run by our staff. With a high level of competition and great facilities for your team to meet in, this is the premier team camp in the Tri-State area.
